# Registering a child for Kindergarten for 2021 - 2022?

Online Registration starts on Monday, March 8th. There will be no in-person registration appointments at this time.

Kindergarten is mandatory in Maryland, so if your child turns 5 by September 1, 2021, you must register your child for the 2021-22 school year. Parents or guardians are to register students at the school serving the address where the child's parent or guardian resides. Information on neighborhood schools can be found through the [School Locator](#) on the [school system web site](#) or by calling the Public Information Office at 410-313-6682.

Please make sure this information is accurately completed during your online registration:

Prior Care: What type of schooling did your student have prior to Kindergarten? (Needs a value of 2. ie: if PK for a half day (1) and with parent the other half (1) = 2 or PK full day = 2) [Prior Care Form \(ENG\)](#) - [Prior Care Form \(KOR\)](#) - [Prior Care Form \(SPN\)](#)

Language Survey Information:

1. Home Language: this is language family uses at home to communicate with one another
2. Dominant Language: this is language the student is most comfortable speaking or prefers when able to speak multiple languages. If a family is confused about this (b/c child speaks more than one language) ask, "which is your child's strongest language?"
3. Native Language: this is the language the student learned first and may be the only language the student communicates in.
